

Greenfield 2.0 Auction for Upgrades Friday, March 15, 2019 Hamilton Hall 320 S. Broad Street

Dear Friends of Greenfield:

This year the U.S. Department of Education awarded Albert M. Greenfield School the highest honor a school can receive, the **National Blue Ribbon** for academic excellence and closing student achievement gaps. This extraordinary recognition is a credit to our Principal, Teachers, Community and our commitment to rigorous academics and cultural enrichment for our culturally diverse student body.

The willingness of the Greenfield community to assist in financially supporting our school is a huge factor in the progress we've made. The School District celebrates our strides, but it hasn't been able to provide everything we've needed to make them. Greenfield community members and neighborhood **businesses have truly made the difference.**

Support Our Progress

Greenfield 2.0: Auction for Upgrades will take place on Friday, March 15, and funds raised will support the purchase of Chromebooks, continued updates to our Auditorium audio system and improvement of school bathroom furnishings. This event is our neighborhood school's major fundraising event of the year and we expect more than 400 attendees. We invite you to support Greenfield 2.0: Auction for Upgrades.

- **Donate an auction item**
- **Make a hospitality contribution for the night of the event**
- **Purchase tickets to attend our 12th Annual Auction & Social**

We need to continue to grow our school supply of Chromebooks to ensure our students have the technological access they need and to accommodate wear and tear and obsolescence.

We need to complete the final phase of overhauling the auditorium audio system. The auditorium is a hub of student life and activity and it's crucial we complete the second phase of the system overhaul for the usability of our staff and enjoyment of our families.

We need to improve our bathroom facilities. These basic foundations are easy to overlook and expensive to replace, but damaged furnishings challenge a focus on learning. Well-kept, comfortable bathrooms grow our students' ability to learn and increase their pride in their school and themselves.

Thank you in advance for your support. Your donation will make a difference in the lives of our students. Greenfield Home & School Association is a 501(c)(3) non-profit organization and donations are tax-deductible.
