### **Principal Update:**

- The first RAM (Respectful, Accountable and Mindful) Awards were handed out this school year. Each teacher was asked to nominate a student from their homeroom. The students that won the awards were given a RAMs t-shirt.

### **Recap:**

- **Open Houses-** Both the Kindergarten/1<sup>st</sup> grade and middle school open houses were well attended. We saw a few families with children currently attending private schools, as well as families moving to Philadelphia from out of town.
- **GLAMs-** Even with the rainy weather, the first GLAMs night of the school year was a success, with 15-20 in attendance. Next GLAMs night planned for 11/14.
- **DoGs-** 40+ attended the last DoGs night, which raised about \$200 towards the Annual Fund. The next DoGs night will be held on 10/24 at the Fitler Club.
- **Rita's Fundraiser-** The fundraiser was a success. Kristin collected a carload of supplies that went to Chester Arthur Elementary.
- **Uniform Swap-** Leftover clothes from the uniform swap went to Waring Elementary.

### **Greening Greenfield:**

- **Playground Update-**
  - Created a GoFundMe page in order to find outside businesses, residents and community members interested in contributing to the Playground fund.
  - DeWitt, Chau and Dannielle met with Kompan to go over new playground structure. We are going with a modified version of the Kilimanjaro set. With the slight modifications, we will cut the cost by over \$60,000. The last update has us looking at \$300,000 for total cost. The GoFundMe page says we're still short about \$100,000, but it's actually less than that. \$200,000-\$215,000 has been raised so far.
  - Kompan structures are well made and offer a great warranty program. When finished, the playground committee hopes to have enough money left over for a \$50,000 endowment, for maintenance.
  - By January-March, design should be finalized.

- **Clean-Up-** There are four clean-ups scheduled for the rest of the school year. The next clean-up day, 11/9, will coincide with Love Your Park Day. Coffee and bagels will be served. It's a fun family event that will start around 9-10am.

#### **Budget:**

- The Annual Fund is up to \$86,000, though participation is low (about 30%).
- 8<sup>th</sup> grade fundraising is going well and brought some money in from popsicle/fruit sales.
- The HSA changed banks in order to save money on banking fees.
- HSA has received \$5,600 in checks to go towards the playground improvements.
- We received \$500 from the Rita's fundraiser.
