

# GREENFIELD MIDDLE SCHOOL ART CLUB

## FALL 2025

Middle School Art Club (6th, 7th, 8th Grade) will take place on Tuesdays during the first half of the year from 3:00-4:00pm on the dates indicated below. In order to provide all students with a chance to be involved, students may be limited to one workshop. Please circle your top choice and indicate a second choice with a star.

**Permission slips should be turned into Ms. Mowery by September 15th.** (Please write Art Club Dates on your calendar!) Workshops will be filled in the order that signed slips are received and tip-top art class behavior. The list of students in each workshop will hang in the hallway outside the art room, e-mailed as well as be provided to each homeroom teacher.

## WORKSHOPS

### Mini Magic with Polymer Clay

In this colorful and creative workshop, artists will learn how to sculpt with polymer clay to make tiny characters, adorable miniature foods, and custom-designed beads! Full creative process—from brainstorming and sketching ideas to shaping, assembling, and baking their clay creations. Artists will build skills in modeling, color mixing, and design while bringing their tiny visions to life. A fun, hands-on introduction to 3D art and storytelling through miniature forms. All materials included!

**9/25, 10/9, 10/16, 10/23**

### Tiny Worlds in Tin

In this hands-on workshop, artists will transform recycled Altoid tins into magical miniature scenes using paper, paint, and imagination! From enchanted forests to cozy bedrooms or outer space adventures, each child will design and craft their own tiny world that fits right in the palm of their hand. A fun blend of storytelling, crafting, and upcycling—perfect for sparking creativity and fine motor skills. All materials provided!

**10/30, 11/6, 11/13, 11/20**
